

# ZOEC

## COMPANY PROFILE

A background image of a construction site. In the foreground, a blue concrete mixer truck with the number '08' on its drum is parked. To its right, a blue crane is visible. In the background, several other cranes are lifting materials against a cloudy sky. A semi-transparent blue banner is overlaid across the middle of the image, containing white text.

## WELCOME TO OUR COMPANY

**ZOEC Construction Nigerian Limited is a subsidiary of ZOEC international incorporated in Nigeria and locally owned. The company offers engineering constructions, renewable energy solutions and project management.**

## ABOUT OUR COMPANY

Zoec Construction offers a full range of pre-construction, construction, energy solutions and project

Our project teams maintain a strong foundation of trust and mutual respect generated through positive relationships with clients architects, engineers subcontractors and suppliers.

A company-wide policy encouraging shared performance responsibility ensures the highest degree of professional service and results on all projects undertaken.

## MISSION & VISSION

### OUR MISSION

To build a better world by providing high quality construction services, and efficient energy solutions, prioritizing safety and fostering a culture of excellence.

### VISSION

Driving the transformation of the construction and energy industry through digital innovation, lean practices and a relentless pursuit of excellence that will foster economic growth.

## OUR SERVICES

### Electrical Energy Solutions

ZOE has been providing several energy solutions to power generation, transmission and distribution companies. These include pre-commissioning test of critical power system equipment, protection and control wiring for generators and maintenance of existing infrastructures and construction of new substations.

### Building Construction

We also pride ourselves of vast experience in the building industry where we have constructed both high-rise and low-rise residential buildings, commercial buildings and also institutional buildings.

## OUR SERVICES

**Power Substation & Transmission Line Civil Works** ZOEC has been under taking civil works construction for power sub stations for the past five years in Nigeria. This scope ranges from Earthworks, transformer and outdoor equipment foundations, oil pits cable trenches control building, fences boundary walls drainage, substation internal and access roads.

### Construction Project Management

ZOEC also offers a wide range of project management services which include but not limited to construction project planning & management, contract management, construction project supervisions and site inspections.

## HEALTH SAFETY AND ENVIRONMENTAL POLICY

### Corporate Health, Safety & Environmental Policy Statement

**Zoec Nigeria Limited** is steadfastly committed to the **health, safety, and wellbeing** of our employees and all individuals involved in our operations. We prioritize safeguarding employees from occupational injuries or illnesses and protecting the environment from contamination. Environmental waste management and pollution control remain key, ongoing objectives at Zoec Nigeria Limited.

### Our Commitments to an Accident-Free Workplace

To achieve and maintain a safe, healthy, and environmentally friendly work environment, we are committed to:

- **Visible and Proactive Leadership:**
  - Demonstrating active leadership with clearly defined HSE (Health, Safety, and Environment) responsibilities and objectives assigned to line management.
- **Risk Identification and Control:**
  - Identifying and assessing significant HSE risks and implementing effective control measures to eliminate or minimize these risks.
- **Environmental Waste Management through 5Rs:**
  - Promoting the principles of **Reduction, Reuse, Re-cycle, Recovery, and Responsible disposal** where practicable to manage environmental waste.
- **Training and Competence:**
  - Employing trained and qualified personnel and providing necessary supplementary training to enable all employees to work safely and competently under effective supervision.
- **Regulatory Compliance:**
  - Ensuring compliance with all relevant laws and regulatory requirements pertaining to health, safety, and environmental practices.

## Shared Responsibility

We recognize that health and safety responsibilities are **shared**. Management pledges to take every precaution reasonable under the circumstances to protect both the **planet** and the **people**.

Together, through a culture of responsibility and continuous improvement, we aim to foster a workplace free of accidents and environmental harm.

---

*This policy reflects our unwavering dedication to sustainability, employee welfare, and environmental stewardship.*

*Managing Director/CEO  
Date: 22<sup>nd</sup> November, 2019*
